SOSPETTI AD ALTA QUOTA

36. A SUSPECT AT 36.000 FEET

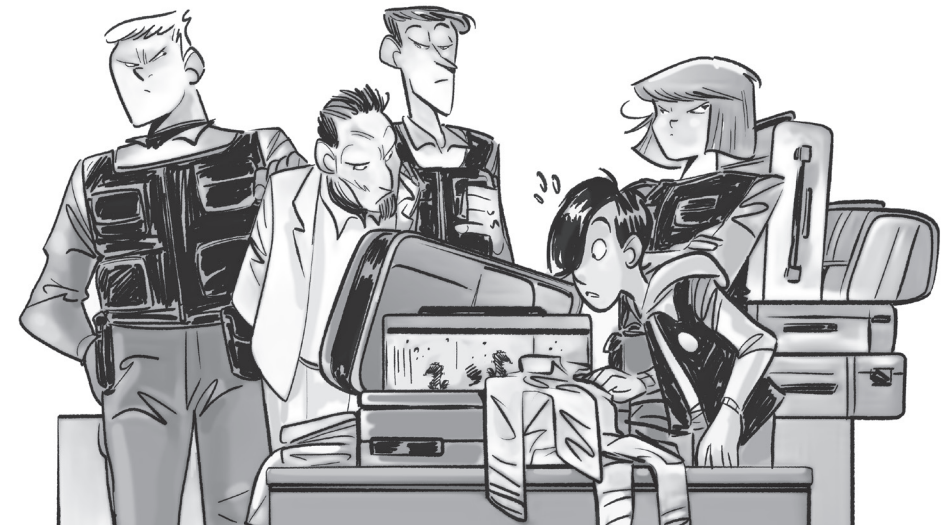

Place: Frankfurt, Germany

Uncle Dexter

Agatha, Larry, Watson, and Mr. Kent are rushing between terminals at Frankfurt's very busy airport. They have a connecting flight for Macao, where Larry has been hired to investigate a missing gold cup. But an urgent message from Eye International changes their plans: a hacker on the most-wanted list is about to land right there in Frankfurt, and the only agent on site is Larry Mystery! Identifying the hacker shouldn't be too hard. All they'll need to do is scan the passengers as they get off flight 714 with Larry's sophisticated EyeNet iris recognition device. What a pity that the hacker, who's suspected of carrying terabytes of stolen (and super top secret) data, is clever enough to make the EyeNet crash! Trapped in the terminal, Agatha and the others will have to carry out their investigation using only the tiny amount of information they have in a race against time to catch someone who's both brilliant and has the most innocent face you could imagine!

Relative and profession: as daunting as a mountain range, Uncle Dexter works as a fraud investigator for an airline.

THE INVISIBLE THIEF*

Place: Madrid, Spain

The new investigation of Larry Mystery and his brilliant little cousin Agatha begins with the theft of the ancient sword of a wealthy collector in Toledo. It is an almost dead-end case... until other valuable relics begin to disappear in the surrounding area. The only clue is the elusive black car that appears and disappears at the crime scenes at night... And then, there is the dark legend of a mysterious medieval alchemist, whose footsteps someone seems to be following!

Relative and profession: Miranda, cousin, a young actress with an exuberant personality and irresistible charm. She has always dreamed of being a police officer and participating in a compelling investigation.
